### ABOUT

Moran Iron Works (MIW) is a dynamic fabrication facility specializing in large, modular, custom welding and industrial fabrication projects with over four decades of experience in a variety of industries including industrial, power, marine, and hydraulic structures. Our diversified portfolio and company culture of integrity creates the polished, state-of-the-art skill behind each project.

### DIFFERENTIATORS

#### Capacity & Workforce Training

- 125,000 sq. ft. fabrication and machining facility
- Highly-trained workforce that allows quick and seamless fabrication
- Turnkey project solutions from estimating to installing

#### Equipment & Facilities

- Indoor overhead cranes
- CNC plasma cutting
- Advanced rolling and forming
- Robotic welding capabilities
- High-wire corridor gives access to haul large modules
- Deepwater Port allows for unlimited laydown and shipping in the Great Lakes tributaries

#### Quality & Safety

- CWI and CWS certifications ensuring impeccable quality
- All safety/quality personnel have average of 17 years' experience
- Each shop employee trained in PPE, Overhead Crane, Manlift Powered Industrial Trucks, Confined Space, Hazcommunication, Fall Protection, Lockout-Tag Out, and Machine Guarding

### CERTIFICATIONS

#### American Institute of Steel Construction

- (CBR) Major Steel Bridges
- (IBR) Certified Bridge Fabricator – Intermediate
- (HYD) Hydraulic Steel Structures
- (FCE) Fracture Critical Endorsement
- (P2) Sophisticated Paint Endorsement

#### American Welding Society

- Certified Welding Fabricator

#### Canadian Welding Bureau

#### National Commission Certification of Crane Operators

### COMPANY DATA

#### Year Established

1978

#### DUNS #

147753602

#### Cage Code

0NYK6

#### Bonding Capacity

\$10,000,000 per job; \$20,000,000 aggregate

#### NAICS Codes

332312, 336611, 333611, 332313, 332311, 332410, 332470, 332710

## STOVE DOME

Moran Iron Works was awarded the contract to fabricate, machine, paint, package, and deliver one (1) blast furnace stove dome via barge.

<b>Customer</b>	United States Steel
<b>Location</b>	Ecorse, MI
<b>Weight</b>	99,455 lbs
<b>Material</b>	A516 GR 70 Carbon Steel
<b>Dates of Performance</b>	Jan. 2017 - Jun. 2017

## KERITE CABLE REEL

Moran Iron Works was awarded the contract to fabricate, machine, and paint one (1) 35' Kerite Cable Reel.

<b>Customer</b>	Marmon Utility
<b>Location</b>	Seymour, CT
<b>Weight</b>	28,200 lbs
<b>Material</b>	A36 Carbon Steel
<b>Dates of Performance</b>	May 2018 - Aug. 2018

PAST PERFORMANCE

## DEWATERING WHEEL AND BASE

Moran Iron Works was awarded the contract to fabricate, machine, paint, modularize, and package one (1) dewatering wheel with one (1) base.

<b>Customer</b>	Aggregate Resources
<b>Location</b>	Kalamazoo, MI
<b>Weight</b>	51,387 lbs
<b>Material</b>	A516 GR 70 Carbon Steel
<b>Dates of Performance</b>	Base: Jun. 2017 - Oct. 2017 Wheel: Jan. 2018 - Apr. 2018

## ABSORBER BOX

Moran Iron Works was awarded the contract to fabricate, machine, paint, and ship one (1) 8'x8'x40' absorber box.

<b>Customer</b>	Lewis Metals
<b>Location</b>	LaCrosse, WI
<b>Weight</b>	28,200 lbs
<b>Material</b>	A36 Carbon Steel
<b>Dates of Performance</b>	Apr. 2018 - May 2018

PAST PERFORMANCE

# LEADERSHIP

## THOMAS MORAN

### CEO and Founder

Over 40 years' of industry, fabrication, and business experience  
AWS Life Member  
Michigan State Licensed Contractor/Builder  
MSHA Certified  
NCCCO Certification  
ATF Certified  
Certified in multiple welding processes

## VICTOR RUPPERT

### Vice President of Operations

Over 25 years' of experience  
AWS Member  
Degree in Drafting and CAD  
Vistage Michigan Member

## MIKE MEHAN

### NDT Manager

- Over 30 years' experience
- CWE, CWS, and CWI Certified
- Level II NDT Technician for MT, PT, UT, and Visual
- MSHA Certified

## KURT LALONDE

### Production Manager

- Over 30 years' experience
- CWE, CWS, and CWI Certified
- Level II NDT Technician for MT, PT, UT, and Visual
- MSHA Certified

## GUY POST

### Quality Manager

- Over 25 years' experience
- CWI Certified
- Level II NDT for MT and PT
- AWS Member
- NCCCO Certified
- MSHA Certified
